Unparalleled Knowledge & Experience

At Exeter Safari Company we focus 100% of our energy, knowledge and experience on a single destination, Africa. This focused approach and wealth of experience allows us to provide our travelers with the most exceptional Africa experience possible. All our experts have either traveled extensively to Africa on reconnaissance trips, or have lived in their area of expertise, giving us unparalleled first-hand knowledge. As we are not a travel company that covers multiple countries across the globe, we instead return to our African destinations year after year, honing our experience and ensuring we are providing only the most up to date and carefully crafted journeys available today.

Our Local Team Members

Without a doubt the most important part of a journey to Africa will be the various guides, drivers, and assistants that you meet along the way. For that reason, we are extremely particular about the team members we entrust to show you all the wonders that your itinerary contains. Africa is a continent blessed with some of the friendliest and most welcoming people on earth and we guarantee you will encounter nothing but warm smiles and laughter throughout your journey.

Unique & Extraordinary Experiences

Africa as a destination contains a multitude of incredible experiences that could easily be overlooked on a more 'standard itinerary'. From bespoke cooking experiences led by charismatic local characters, to sunrise balloon safaris that end with a champagne breakfast overlooking the mighty plains of the Serengeti, rest assured every Exeter Safari Company itinerary will include some very special experiences. Some of these you will know about ahead of time while others you will just have to wait and see...

Bespoke Custom Programs, Meticulously Planned

At Exeter Safari Company our advice, guidance and recommendations are always impartial, honest, and keep you, the individual travelers in mind. Our careful planning is highly detailed and ensures your time in Africa is seamless and valuable. None of our trips are simply 'off the shelf' and we pride ourselves on tailoring your journey around your specific interests and requirements.

24/7 Support Both At Your Destination And In The USA

While we always hope our traveler's itineraries go ahead exactly as planned, it would be insincere to say unexpected hiccups cannot occur. From missed flight connections on route to Africa, to simply wanting to start the following days touring a bit later, our 24 hour support both at your local destination and here in the USA will ensure we are never more than a phone call away.

Day 1: Tuesday, February 09, 2021

Four Points by Sheraton, Nairobi, Kenya

Arriving in Nairobi you will be met by your local assistant who will drive you the 2-minutes to the Four Points Sheraton Hotel. Please note the cost of your international flight is not included.

Depending on your arrival time you may simply want to relax at your hotel and catch up on some rest. However, if you arrive on a morning flight and you feel like getting out and about and exploring what Nairobi has to offer there are several exciting activities available (at additional cost). You could begin with a visit to the David Sheldrick Elephant & Rhino Orphanage, an institution in Nairobi that has rescued countless orphaned animals over the years. Here you will have the opportunity to see and interact with some of the rescued elephant and rhinos that will hopefully one day be released back into the wild. For a \$50 donation you are even able to adopt your very own elephant for a full year!

Another great option would be a visit to the African Fund for Endangered Wildlife's Giraffe Center. This non-profit organization was founded in 1979 and has since dedicated itself to protecting and conserving the dwindling number of Rothschild Giraffes that are found only in the grasslands of East Africa. Here you will find a number of these beautiful animals and if you are lucky you will even have the opportunity to hand feed a few! If you are interested there is also a wonderful walking trail that snakes through the area. The walk is only around a mile long but offers some great opportunities to see a selection of the small bird and animal life that call the area home.

For a more cultural experience you could visit the Karen Blixen Museum. Here you would visit the homestead of famed author Karen Blixen and enjoy a tour of the estate made so famous in her book and subsequent movie "Out of Africa". It is highly recommended you read this wonderful book or watch the movie in order to get the full Kenya experience!

Returning to your hotel you would then enjoy an afternoon at leisure during which you can rest up and relax around the pool as you prepare for the Safari adventure that lays ahead.

Meals Included: Breakfast

Day 2: Wednesday, February 10, 2021

Lewa Wilderness, Lewa Wildlife Conservancy, Kenya

Following a relaxed breakfast, you will meet your local driver in the hotel lobby and depart for the nearby Wilson Airport. Here you will meet the light aircraft that will transport you high over the African plains and into the Lewa Wildlife Conservancy (please note the cost of this flight is included and departs at **10:20AM** and arrives at **11:25AM**).

Arriving at Lewa Airstrip you will be met by your local guide and together you will set off through the conservancy. Arriving a short while later at the wonderful Lewa Wilderness you will check in and be given an orientation tour of this lovely property. The Manager of the lodge will explain a few precautions to take during your stay to ensure your safety and wellbeing, as it is worth keeping in mind despite your luxurious surroundings you are in the middle of wild Africa! You will then enjoy lunch before enjoying a bit of time at leisure to relax and unpack. In the late afternoon you will enjoy a casual high tea in the main communal area of the lodge before setting off on your first safari drive.

During your stay at Lewa Wilderness you will have the opportunity to join two safari drives each day. One in the early morning and then another that leaves in the late afternoon and returns shortly after dark. Please note you are in no way obligated to join both of these daily drives and if you would prefer to sleep in one morning and simply join the afternoon drive (or vice versa) you are of course welcome to do so.

As the lodge is located in the middle of the conservancy, you will enjoy fantastic game sightings from anywhere around the property, including the communal areas or even right from your luxury cottage.

Returning from the evening game drive you will enjoy a splendid African inspired meal prepared by the lodges talented team of Chefs. After dinner you are welcome to either relax around the communal firepit sipping your choice of beverage or retire to your tent in preparation for the next day's early start.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 3: Thursday, February 11, 2021

Lewa Wilderness, Lewa Wildlife Conservancy, Kenya

This morning you will wake up just as the sun is rising above the horizon and make your way to the main area of the lodge. Here you will enjoy a selection of coffee, tea, fruit and light pastries before hopping on board your safari vehicle and continuing your exploration of this spectacular region.

Note that on both your morning and evening game drives your guide will find a nice area to stop for a half hour where you will enjoy some light refreshments and a chance to stretch your legs. Arriving back at the lodge mid-morning you will then enjoy a lavish brunch during which you can swap stories about that morning's game drive and decide on the plan for the remainder of the day.

Please chat with your guide if you have any specific interests that you would like to explore while on Safari. These could include interests such as birding or perhaps ask about the possibility of scheduling a nature walk during which you can get up close and personal with the fauna and flora that surrounds your lodge.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 4: Friday, February 12, 2021

Lewa Wilderness, Lewa Wildlife Conservancy, Kenya

Today will be your last full day at Lewa to check off any animal sightings that have so far remained elusive. In addition to the other many animals you will undoubtedly see, the goal on Safari is always to find the “Big Five”. Throughout much of the early 20th century when hunting was still the main reason international visitors made their way to Africa these five animals were considered the most dangerous animals to hunt and were therefore prized as trophies above all others. Fortunately, times have changed and now most guests who go on Safari want to admire and photograph these incredible animals rather than cause them any harm. The “Big Five” are the Elephant, the Rhinoceros, the Leopard, the Lion and the Cape Buffalo and all can be found on the Lewa Conservancy.

Traditionally leopards can often be the most difficult animal to find on Safari as their patterns allow them to blend into the bushveld at a moment’s notice. Often if you do find a leopard they will be up a tree where they have either pulled their kill to keep it away from the prying jaws of the hyenas or simple resting safe in the knowledge they are out of reach of any larger predators.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 5: Saturday, February 13, 2021

Bateleur Camp, Masai Mara, Kenya

This morning you will have an opportunity to enjoy a last safari drive at Lewa before sitting down to a generous breakfast. You will then meet your guide, bid farewell to Lewa Wilderness and make your way back to the nearby Airstrip. Here you will meet your light aircraft flight to Kichwa Tembo (the cost of this flight is included and departs at **09:35AM** and arrives at **11:00AM**).

The Masai Mara National Reserve is a land of breathtaking vistas, abundant wildlife and endless plains. The quintessential Masai Mara safari delivers many attractions, as the reserve is home to an excellent year-round concentration of game, including during certain times of year the more than two million wildebeest, zebras and other antelopes that make up the famous Great Migration.

The only downside of the Masai Mara National Reserve is just how busy it can get. For that reason, you will be staying at Bateleur Camp, a wonderful tented camp that is ideally located on its own private conservancy. This camp's location allows you to both visit the main reserve while also enjoying the much more private, wildlife viewing of the private conservancy.

Having landed at the local airstrip you will be met by your local guide. Together you will then set off via safari drive and make your way to Bateleur Camp where you will spend the next three nights.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 6: Sunday, February 14, 2021

Bateleur Camp, Masai Mara, Kenya

This morning you will wake shortly after sunrise and make your way to communal area of the lodge. Here you will enjoy a quick cup of tea or coffee and some snacks, before setting off in your open 4x4 safari vehicle in the company of your guide in search of the incredible wildlife in the Masai Mara.

andBeyond's professionally trained guides will ask you about your favorite wildlife and will do their best to ensure that your preferences are met. This could mean ticking off as many species as possible or spending more time enjoying each sighting and getting to know the habits of the animals. They will also tell you about the vegetation of the region and will explain the behavior of the animals that you come across. In some cases, the guides will be able to identify individual animals and let you know about their history and habits.

Returning to the lodge around mid-morning you will enjoy a sumptuous brunch. Over brunch you can chat about your adventures that morning and discuss your plans for the rest of the day.

Following a few hours at leisure spent either napping or simply relaxing around the pool, you will then congregate in the communal area of the lodge for afternoon tea. Having enjoyed some tea, coffee and snacks you will then set off on your adventure, be it another safari drive, a bush walk or some combination of the two.

Arriving back at the lodge you will once again enjoy a wonderful dinner before enjoying an evening at leisure.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 7: Monday, February 15, 2021

Bateleur Camp, Masai Mara, Kenya

This region is a photographer's and naturalist's paradise, with abundant elephant, buffalo, giraffe, lion and cheetah alongside the migratory wildebeest and zebra. Leopards are frequently encountered; endangered black rhino hide in the dense thickets and large rafts of hippo and enormous crocodiles are found in the nearby rivers. The Reserve is also home to over 450 bird species.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 8: Tuesday, February 16, 2021

Ol Donyo Lodge, Chyulu Hills National Park, Kenya

This morning you will check out of your luxury lodge and enjoy a short transfer back to the nearby airstrip. Here you will board a short flight back to Wilson Airport (the cost of this flight is included and departs at **11:00AM** and **arrives at 12:15PM**) where you will change planes and continue to Chyulu Airstrip (the cost of this flight is included and departs at **2:00PM** and **arrives at 2:50PM**)

Arriving at Chyulu Airstrip you will be met by your new guide and together you will enjoy a stunning drive to your home for the next few nights, Ol Donyo Lodge located adjacent to Chyulu National Park. Wedged between the Tsavo and Amboseli National Parks in the heart of the Chyulu Hills, the lodge is honed from the ancient lava rock that spewed out of Kilimanjaro 360,000 years ago.

Here you will enjoy two nights of warm hospitality, incredible wildlife viewing and tantalizing meals always accompanied by an extensive wine list. After a rewarding day of game viewing, sundowner drinks can be savored in the inviting swimming pool. Adventures include twice-daily game drives, guided bush walks, exhilarating horseback safaris (with mounts suitable for both novice and experienced riders), Maasai village visits, fly-camping, day trips to the Amboseli National Park (at an extra cost) and mountain biking. A few nights at Ol Donyo truly is one of Kenya's most special experiences.

Meals Included: Full board (Including Local Beers, Wines, Spirits & Soft Drinks)

Day 9: Wednesday, February 17, 2021

Today you will enjoy a full day of safari activities as you explore this remarkable area. This area is widely regarded as offering some of the most incredible game viewing anywhere on the continent and today you will continue to discover why this reputation is so well deserved. You will work together with your guide to put together the perfect day that will ensure you see the maximum amount of wildlife, while at the same time avoiding other travelers as much as possible.

However you choose to spend your day, you will end it with cocktails and dinner under a blanket of shimmering stars.

What to Pack?

Please note your itinerary does include light aircraft flights on to which normal hard sided suitcases are not allowed. As a general guide, comfortable, casual wash and wear clothes are recommended and muted colors are recommended for game-viewing. Game-drives are conducted in the early morning and late afternoon, which can be very cold, regardless of the time of year you are traveling.

The most practical items to pack for safari are:

- Khaki, green, beige, and neutral colors (dark blue and black should be avoided, as it attracts tsetse flies)
- Shirts with long sleeves (even in summer, as protection from the sun, mosquitoes, and tsetse flies)
- T-shirts
- Shorts or a light skirt
- Jeans or safari trousers for evenings and cooler days
- A jacket and sweater are recommended for early morning and evening game drives
- Lightweight water-proof jacket
- Swim and beachwear
- Comfortable walking shoes
- Sun block, sunglasses, hat, moisturizer, and lip-salve are all essentials
- Strong insect repellent like Mozzie Guard (www.mosi-guard.com)
- Binoculars and camera equipment

Laundry

Most lodges, camps and hotels do their best to deliver a same day laundry service, weather permitting. As the lodges offer laundry service there is no need to bring a large amount of clothing. At the lodges soap suds are generally provided in your room for delicate items. Please be mindful that, due to culture and customs in many of the areas in which we operate, some lodges/camps do not wash underwear.

Kenya & Tanzania's Plastic Bag Ban

Kenya and Tanzania join over 40 countries that have made plastic bags illegal, in a positive effort to reduce the impact on our environment. The ban applies to carrier bags with handles (and with or without gussets), and flat bags without handles and without gussets. If you are travelling to Kenya and Tanzania, plastic bags that match the above description, including duty free bags, will be confiscated at the airport. There is also the chance of incurring a fine. If you are travelling to these countries, please refrain from using all forms of 'disposable' plastic bags in both main luggage and hand luggage, to avoid inconveniences and possible prosecution. While we are aware that certain countries require carry on liquids to be packaged in clear bags for security reasons, we recommend purchasing a clear, non-disposable toiletry bag, as an alternative to zip-lock bags, when travelling to Kenya and Tanzania.
