## **Our Local Team Members**

Without a doubt the most important part of a journey to Africa will be the various guides, drivers, and assistants that you meet along the way. Africa is a continent blessed with some of the friendliest and most welcoming people on earth and we guarantee you will encounter nothing but warm smiles and laughter throughout your journey.

## **Unique & Extraordinary Experiences**

From bespoke cooking experiences led by charismatic local characters, to sunrise balloon safaris that end with a champagne breakfast overlooking the mighty plains of the Serengeti, rest assured every Exeter Safari Company itinerary will include some very special experiences. Some of these you will know about ahead of time while others you will just have to wait and see...

## **Bespoke Custom Programs, Meticulously Planned**

Our careful planning is highly detailed and ensures your time in Africa is seamless and valuable. None of our trips are simply 'off the shelf' and we pride ourselves on tailoring your journey around your specific interests and requirements.

## **24/7 Support Both At Your Destination And In The USA**

While we always hope our traveler's itineraries go ahead exactly as planned, it would be insincere to say unexpected hiccups cannot occur. From missed flight connections on route to Africa, to simply wanting to start the following days touring a bit later, our 24 hour support both at your local destination and here in the USA will ensure we are never more than a phone call away.
