Day 1

Eden, Nairobi, Kenya

Today you arrive into Kenya's capital city, Nairobi. Having cleared customs, you will be met by your driver and transferred to your nearby hotel, Eden. Located in the peaceful suburb of Langata, overlooking the giraffe sanctuary, this beautiful little gem, with just 8 rooms, will provide you with an ideal location to rest and relax following your journey to Africa. The location itself is completely unique with warthogs, parrots, peacocks, and monkeys freely roaming through the garden. Often lions and hyenas can be heard roaring and cackling from the nearby Nairobi National Park - Nairobi being the only major city in the world to be located adjacent to such a collection of wildlife.

Today you may simply want to relax at your hotel and catch up on some rest however if you feel like getting out and about and exploring what Nairobi has to offer there are several exciting activities on offer. You could begin with a visit to the David Sheldrick Elephant & Rhino Orphanage, an institution in Nairobi that has rescued countless orphaned animals over the years. Here you will have the opportunity to see and interact with some of the rescued elephant and rhinos that will hopefully one day be released back into the wild. For a \$50 donation you are even able to adopt your very own elephant for a full year!

Another great option would be a visit to the African Fund for Endangered Wildlife's Giraffe Center. This non-profit organization was founded in 1979 and has since dedicated itself to protecting and conserving the dwindling number of Rothschild Giraffes that are found only in the grasslands of East Africa. Here you will find a number of these beautiful animals and if you are lucky you will even have the opportunity to hand feed a few! If you are interested there is also a wonderful walking trail that snakes through the area. The walk is only around a mile long but offers some great opportunities to see a selection of the small bird and animal life that call the area home.

For a more cultural experience you could visit the Karen Blixen Museum. Here you would visit the homestead of famed author Karen Blixen and enjoy a tour of the estate made so famous in her book and subsequent movie "Out of Africa". It is highly recommended you read this wonderful book or watch the movie in order to get the full Kenya experience!

Returning to your hotel you would then enjoy an afternoon at leisure during which you can rest up and relax around the pool as you prepare for the Safari adventure that lays ahead.

Meals Included: Breakfast

Day 2

&Beyond Bateleur Camp, Masai Mara, Kenya

This morning you will check out of your hotel and meet your driver in your hotel lobby. Together you will travel to the nearby Wilson Airport where you will meet your light aircraft flight that will take you to the Kichwa Tembo Airstrip. Look out for animals on route as you will be flying over some of the best safari areas anywhere in Africa! Please note this flight is included in your program cost.

Arriving into the Masai Mara you will be met by a vehicle and guide from the lodge and driven only a few minutes to the incredible &Beyond Bateleur Camp. The Masai Mara, together with Tanzania's Serengeti form one of Africa's most famous wildlife areas. For many the image of acacia trees stretched over an endless grass plain epitomizes Africa, and when combined with the Masai warriors that inhabit this beautiful region, you truly have an iconic African experience. The annual wildebeest migration through the Serengeti and the Masai Mara is the largest mass movement of land mammals on the planet – with more than a million animals following the rains. That however is not where the game viewing ends; throughout the year large prides of lions, elephants and giraffes wander across the grasslands and gazelles and eland abound.

Arriving at Bateleur Camp shortly before lunch you will be shown to your luxury tented suites and given an orientation tour of this incredible property. The Manager of the lodge will explain a few precautions to take during your stay to ensure your safety and wellbeing, as it is worth keeping in keep in mind despite your opulent surroundings you are in the middle of wild Africa!

You will then enjoy a welcome lunch before having a few hours at leisure to relax and unpack. In the late afternoon you will enjoy a casual high tea in the main communal area of the lodge overlooking the wilderness before setting off on your first safari drive!

During your stay at Bateleur you will have the opportunity to join two safari drives daily. One in the early morning and then another that leaves in the late afternoon and returns shortly after dark. Please note you are in no way obligated to join both drives every day and if you would prefer to sleep in one morning and simply join the afternoon drive (or vice versa) you are of course welcome to do so. As the lodge is in the middle of the game reserve you will enjoy fantastic game sightings from anywhere around the property including the communal areas or even right from your bedroom.

Returning from the evening game drive you will enjoy a splendid African inspired meal prepared by the lodges talented team of Chefs. After dinner you are welcome to either relax around the communal fire pit sipping your choice of beverage or retire to your room in preparation for the next day's early start.

Meals Included: Full Board (Including local Beers, Wines, Spirits & Soft Drinks)

Day 3

&Beyond Bateleur Camp, Masai Mara, Kenya

This morning you will wake shortly after sunrise and make your way to communal area of the lodge. Here you will enjoy a quick cup of tea or coffee and some snacks, before setting off in your open 4x4 safari vehicle in the company of your guide in search of the incredible wildlife in the Masai Mara.

&Beyond's professionally trained guides will ask you about your favorite wildlife and will do their best to ensure that your preferences are met. This could mean ticking off as many species as possible or spending more time enjoying each sighting and getting to know the habits of the animals. They will also tell you about the vegetation of the region and will explain the behavior of the animals that you come across. In some cases, the guides will be able to identify individual animals and let you know about their history and habits. If your trip happens to coincide with the Great Migration your guide may attempt to catch up with it and spend some time in the midst of the massed herds.

Returning to the lodge around mid-morning you will enjoy a sumptuous brunch. Over brunch you can chat about your adventures that morning and discuss your plans for the rest of the day.

Following a few hours at leisure spent either napping or simply relaxing around the pool, you will then congregate in the communal area of the lodge for afternoon tea. Having enjoyed some tea, coffee and snacks you will then set off on your adventure, be it another safari drive, a bush walk, or some combination of the two.

Arriving back at the lodge you will once again enjoy a wonderful dinner before enjoying an evening at leisure.

It is Kenya's second most popular national park after the Masai Mara National Reserve and was declared a UNESCO-Mab Biosphere Reserve in 1991. During heavy rains, the basin at the center of the park floods, attracting hordes of wildlife. It stretches across almost 100 miles and reaches a peak altitude of over 7,000 feet.
